Dec. 9, 2009 (The Hindu Business Line) --

Bangalore, Dec. 9

The National Association of Software and Services Companies has announced the winners of Gender Inclusivity Awards for this year at the two-day Nasscom Diversity and Inclusivity Summit at here. These awards, in the third year now, recognise companies in the IT-BPO industry that have implemented practices promoting gender empowerment and women leadership development. IBM (NYSE:IBM) Daksh has been awarded for Excellence in Gender Inclusivity for BPO companies, while Hytech Professionals has been adjusted the best emerging company, Integra Software Services the best company with over 1,000 employees, and IBM India for the best childcare services provided. Mr Som Mittal, the Nasscom President, said that the Indian IT-BPO industry was among the first to recognise the business imperative for diversity and inclusion. — Our Bureau
